Hiroshima, Japan

We support those who come to Hiroshima Prefecture to work as caregivers.

Attractive Welfare and Nursing Care Hiroshima,a City of Workplaces Declaration

# Hiroshima is a city committed to creating attractive workplaces in welfare and nursing care.

In Hiroshima, we have a bustling system that ensures that the nursing care and welfare sectors continue to be rewarding and enjoyable workplaces.

**We support those who come to Hiroshima Prefecture to work as caregivers.**

## Life in Hiroshima

**Q.** Will the Japanese people warmly welcome us foreigners?

**A.** Hiroshima has a history as an international city, offering a wealth of sporting events and collaborative activities, where many foreigners live comfortably.

**Q.** I'm worried about daily life—commuting, paperworks, and such—in a place where I don't understand the language.

**A.** To make living easier, we provide support in securing housing at accessible locations, in handling administrative procedures, and more.

**Q.** After starting work in Japan, will there be opportunities for career growth?

**A.** We support career development through fair evaluation systems, including training programs, career path programs, and support for obtaining national certifications, etc.
